PEER REVIEWER FOR THE FUNDING ORGANISATION

Scientific and Technological Research Council of Turkey

ADVISOR OF PHD STUDENTS – CURRENT

Enes Cem Engin (year 3)

ADVISOR OF MSc STUDENTS – CURRENT

Erolcan Çelik (year 3, thesis in progress: Developing and testing an intervention to prevent athletes' problematic smartphone use).

Samet Sağ (year 3), Merve Polat (year 2), Emine Selda Kirdemir (year 2), Muharrem Aydın (year 2), Ayşe Pınar Demir (year 2), Nurdilek Aydın (Year 2).

ADVISOR OF MSc STUDENTS – COMPLETED

Mert Göroğlu: Completed in 2020, Thesis: Working with a personal trainer from perspectives of exercise participants and personal trainers: Reasons for participation, expectations and effects.

Sadiye Başar: Completed in 2019, Thesis: The relationship of coach created motivational climate with basic psychological needs, motivation and flow.

Ufuk Salman: Completed in 2019, Thesis: Health-related physical fitness report card from the perspectives of physical education teachers, students and parents: A new practice

Şahin Günbay: Completed in 2019, Thesis: Investigation of sportsmanship behavior and sports attitude of middle school students according to their attendance in physical education and sports courses and students views on this application.

RESEARCH LABS I AM CURRENTLY IN

Exercise and Sport Psychology Research Laboratory (ESPAL), <https://espal.subu.edu.tr/en>

The Social and Health Psychology Applied Behavioral Research for Promotion and Prevention (SHARPP) Lab, <http://www.sharpplab.com>

KEYNOTE AND INVITED PRESENTATIONS

Date	Type	Organization/Meeting	Title	Venue
Dec 14 2021	Invited Speaker	Association of Exercise and Sport Psychology	Effective coaching behaviors: What do research say? What should coaches do?	Online
Jan 6 2021	Guest Lecture	Gelisim University	Exercise and Sports Psychology Labs in the World and the case in Sakarya	Online
Sep 28 2018	Invited Speaker	International Conference on Medical Fitness and Corrective Exercise	Motivation and Self-determination theory: From theory to practice	Istanbul
Dec 15 2019	Invited Speaker	International Conference on Medical Fitness and Corrective Exercise	Ideal exercise experience: Optimal behavior strategies for exercise professionals	Istanbul

UNIVERSITY SERVICE/UNIVERSITY ADMINISTRATIVE ROLES

2021 (6 months)	Head of Sports Coaching Department, Sakarya University of Applied Sciences, Faculty of Sports Sciences
2020-2021	Member of Faculty Executive Committee, Sakarya University of Applied Sciences, Faculty of Sports Sciences
2018-2021	Head of Scientific Research Coordinatorship, Sakarya University of Applied Sciences, Faculty of Sports Sciences
2019-2021:	Director of Exercise and Sports Psychology Research Lab, Sakarya University of Applied Sciences, Faculty of Sports Sciences

COURSES I TAUGHT

Exercise and sports psychology (Undergraduate and post-graduate)
Skill learning in sports (Undergraduate)
Research methods for social science (Post-graduate)
Quantitative research methods (Post-graduate)
Qualitative research methods (Post-graduate)
Data analysis and statistical packages (Post-graduate)
Wrestling (Undergraduate)

RESEARCH FUNDING

2021 (Under evaluation): The Scientific and Technological Research Council of Turkey. 21.000\$ Developing a parent intervention based on athletes' positive youth development and evaluating its efficiency (Principal Investigator) with Martin Hagger (University of California, Co-investigator), F. Hulya Asci (Marmara University, co-investigator), Dilşad Mirzeoğlu (Sakarya University of Applied Sciences, co-investigator).

2021: The Scientific and Technological Research Council of Turkey. 30.000 \$. Mediating role of basic psychological needs in the relationship between coaching behaviors and athletes' motivation: A cross-cultural examination and intervention development for coaches (Principal Investigator) with Martin Hagger (University of California, co-investigator).

2021: Sakarya University of Applied Sciences, Scientific Research Projects Coordination Unit. 1000 \$. Developing an intervention for sport involvement of athletes' parents: An evidence-based randomized control trial (Principal Investigator) with F. Hulya Asci (Marmara University, co-investigator).

MEMBERSHIP OF SOCIETIES

Exercise and Sports Psychology Association, Turkey
Society of Sports Sciences, Turkey

SPORTS COACHING/ INSTRUCTOR

Level 2 Wrestling Coach
REPs Level 2 Gym Instructor (UK)

SPORTIVE ACHIVEMENTS

1999 Gold medal in Turkish Championships (U15 level)
2002 Joining Turkish national wrestling team (Juniors)

ACADEMIC ACTIVITIES, COURSES, SEMINARS COMPLETED AS A PARTICIPANT

- Turkish Football Federation, Psychological Performance Counselling Course, 3rd Level, 20-22 February 2015, İstanbul.
- Turkish Football Federation, Psychological Performance Counselling Course, 2nd Level, 28-30 November 2014.
- Psychological applications in individual and team sports, 21-22 Jun 2014, Exercise and Sports Psychology Association, İstanbul
- Turkish Football Federation, Psychological Performance Counselling Course, 1st Level, 20-22 May 2014, İstanbul.
- Meta-Analysis & CMA Course, 7-8 February 2014, Ankara.
- 2011-2012 Erasmus teaching staff mobility program, 23-28 May 2012, Rzeszow University, Rzeszow, Poland.
- LISREL Structural Equation Modelling Seminar Anı Publishing Education and Counselling, 21-22 January 2012, Ankara.
- Applied Sport Psychology Seminar, 6-8 January 2012, Exercise and Sports Psychology Association, İstanbul
- Sport-Summer Seminars II, 27 June- 8 July 2011, Basic and advanced applied statistics in sports sciences, Pamukkale University, Denizli.
- 2006-2007 Educational Year, Erasmus Exchange Program, KATHO University, Belgium.

SOFTWARES THAT I USE

SPSS

AMOS (Confirmatory factor analysis, Structural equation modelling and Mediation analysis)

NVIVO 11 Pro qualitative data analysis software

CMA Comprehensive Meta-Analysis V3
